## **Environmental Activities for Green Campus**

College has planted the Green campus area to make it more environments friendly. College conducts many tree plantation programs to encourage students and staffs for not only plantation the trees but also nourish them to maintain environmental balance.

Concept of plastic free and paper free campus can be successfully implemented in the college. Management need to take initiative to make the policy for same. It will help to do reduce the use of plastic and papers which will be a good contribution towards sustainable environment.

Energy Conservation Day has to aim to reduce pollution and save the fuel of the nation. Make campus pollution free and use the eco-friendly bicycle. Street Play was performed on account of Energy Conservation day. Program organized for Management of House hold Waste for improves environment friendly lifestyle.

Eco friendly Ganesha workshop has to goal to teach the students pollution free and eco-friendly making of idols of Ganesha. Celebration of festival with the friendly with environment was the aim of this workshop. Tree Plantation and Cleanliness drive for make Environment friendly campus. Vann Ki Baat program has objective about it. Paperless activities were carried out to save the papers and use of technology in day to day basis. All the reports and notices were sending by e mail or whatsapp. Technology with eco-friendly was completed by these activities.
