SOCIOLOGY

Department of Sociology

2023-24

BRIDGE COURSE OF SOCIOLOGY

The bridge course of Sociology department was organized on 24/07/23 to 26/07/2023 September 2023 for first year B.A students. The basic aim behind organizing this two days' workshop was giving preliminary orientation of the subject to especially those students of First year B.A who did not have Sociology as one of the subjects in their 11th and 12th and who are going to study the subject for the first time. It is also believed that when students join any degree course such as B.A. after completing their two years of Junior College, they are expected to have some specific academic skills that are required in their degree course and which they have not learnt before. So, they might experience some kind of 'GAP' especially with respect to these skills. Through this Bridge Course we hope to also give them some basic orientation about these academic skills especially in order to 'bridge the gap' both in terms of the subject content and academic skills.

Syllabus of the Course:

1. Origin and Development of Sociology
2. Basic concept of Sociology
3. Reading, Writing and Listening as important academic skills
4. Significance of studying Sociology and various career opportunities in Sociology
