# Report of Industrial Visit

Smt. Radhadevi Goenka College for Women, Akola  
Institutions Innovation Council & Department of Commerce  
Report of Industrial Visit  
Session: - 2021-22

The Industrial tour was jointly organized by Institutions Innovation Council & Department of Commerce for UG & PG students of Commerce stream on 25/02/2022.

## Objectives of industrial visit

As the proverb goes "The Logic Can Take You from A to B, But Imagination Can Take You Anywhere". Objectives of industrial visit are to provide students an insight regarding internal working of companies. We know, theoretical knowledge is not enough for making a good professional career. With an aim to go beyond academics, industrial visits provide students a practical perspective on the world of work.

### ➤ Manufacturing Unit of Savatram Polymers (Savatram Polymers, MIDC Phase-II, Akola)

One of the well-known SP Brand for HDPE & PVC pipes is Savatram Polymers. The Director, Shri Alok Babu Goenka, open heartedly accepted the proposal of Industrial Visit. The Manger Shri Kotumbkar thoroughly guided the students as well as the faculty members with each and every minute detail of the manufacturing and Marketing process of PVC & HDPE pipes.

### ➤ Manufacturing Unit of Varun Industries (Varun Industries, MIDC Phase-IV, Akola)

Varun Industries engaged in Manufacturing of White Coal i.e Biomass Briquettes. Biomass briquettes are a biofuel substitute to coal and charcoal. Briquettes are mostly used in the developing world, where cooking fuels are not easily available. The Director Mr. Varun Agrawal with his immense knowledge and interest helped students in providing the basic details of the business. The students were amazed to see the product as well. In addition, the students asked several question regarding the raw material and its sources, labour cost, overhead expenses and selling price of the same. Mr. Varun answered each and every question to the satisfaction.

Students gathered all the relevant information about the industry, products, processes, raw material and its supply, marketing, distribution and industry related problems. Total 19 students & 10 faculties were visited to these industries.
