### **Mentor Mentee Report 2021-22**

#### **Aim of Mentor Mentee System (MMS)-**

Students, in general and those coming from rural areas in particular; get benefitted by having a functional rapport with teachers for academic & extra academic matters. The Mentor–Mentee System has been implemented in our institution to serve this very purpose. Teachers as Mentors are assigned a limited number of students as their Mentees. MMS helps the teachers as well as students in enhancing the outcome in varied aspects like TLP, CIE, Internal Assessment, Personality Development, Career Counselling, support in Health, Psychological & Financial matters, to name a few.

#### **Program of MMS -**

These Mentors help their Mentees in identifying & solving their problems. Interactive sessions are conducted by the Mentors to assess the student's individual characteristics pertinent to the system.

#### **Outcome of the MMS–**

Very good Mentor - Mentee rapport has given the institution satisfactory outcome consistently. The students feel free to discuss their problems of varied nature, with their Mentor, who in turn guide & help the students in problem solving. There is a very healthy & mutually respectful bond in MMS in our college. All the girl students are extremely happy with the system.
