Certificate Programme in Banking, Finance and Insurance (CPBFI) BATCH PERFORMANCE REPORT

3. Attendance Details

Course	Attendance %	Attendance Slab	% of students
Overview of Retail Banking	67.34	Below 65%	40.54

Attendance is driven by (1) certification eligibility criteria (CPBFI requires minimum 65% attendance), (2) training quality, which is a combination of trainer’s command over subject, the pedagogy used and students’ participation and (3) students’ willingness and ability to attend. Non-availability of infrastructure and mandatory college events or family events have a big influence on students’ ability to attend.

4. Performance in online Assessment Tests – Average Scores

Course Name	Scores before training	Scores after training	Improvement
Overview of Retail Banking	35.50	46.88	11.38

5. Performance in HR Workshop Interviews

	Attended	Shortlisted	Success Rate %
Participation and success	21	14	66.67

A HR Workshop is conducted at the end of every batch, wherein recruiters from Bajaj Finserv and its subsidiaries, interview candidates for specific roles in BFSI industry. The recruiters shortlist candidates based on these interviews and provide us a list of candidates that they believe have a very high chance of being selected in a job interview. This independent assessment by professional recruiters is a good ‘lead’ indicator of employability.

Certificate Programme in Banking, Finance and Insurance (CPBFI) BATCH PERFORMANCE REPORT

9. Comments from Bajaj Finserv CPBFI Team:

What worked well –

- We are pleased to note that more than half the students, that provided feedback, 'strongly' agree that joining CPBFI was a right decision.

What could have been better –

- The passing ratio of the batch could have been better. Many students have failed because of low attendance.
- Many students did not appear for the HR Workshop despite being regular in the classes. They would have learnt a lot from the experience.

We place on record our appreciation for the efforts put in by the coordinator Mrs. Rupa Gupta, and other staff in making the batch successful. Overall, some of the students have sincerely completed the program and performed well and we are confident, every one of them has a successful career ahead!

Thank you!!
