PERSPECTIVE PLAN

2023-24

Higher education is developing very fast in basic as well as professional areas. Women's education is a matter of concern even today. To educate women our Institute envisages academic programmes by considering the need of society, Industry and the service sect. While preparing the perspective plan thought is given to accommodating girls in existing programmes and new academic programmes. The human resource of the Institute is rewardingly helping the students in achieving the mission and objectives of our institute. Therefore, Staff training to improve the teaching-learning process is also an area of concern. Research, extension activities, and student extracurricular programmes must be revived.
