Report on  
Speech Competition on the occasion of National Entrepreneurship Day**

On October 7, 2023, the Institution's Innovation Council organized a Speech Competition in commemoration of National Entrepreneurship Day, operating under the esteemed guidance of Honorable Dr. Charushila Rumale. Prof. Harshada Wadhone and Prof. Priyanka Rathi took on the roles of distinguished jury members, responsible for evaluating the participants' presentations.

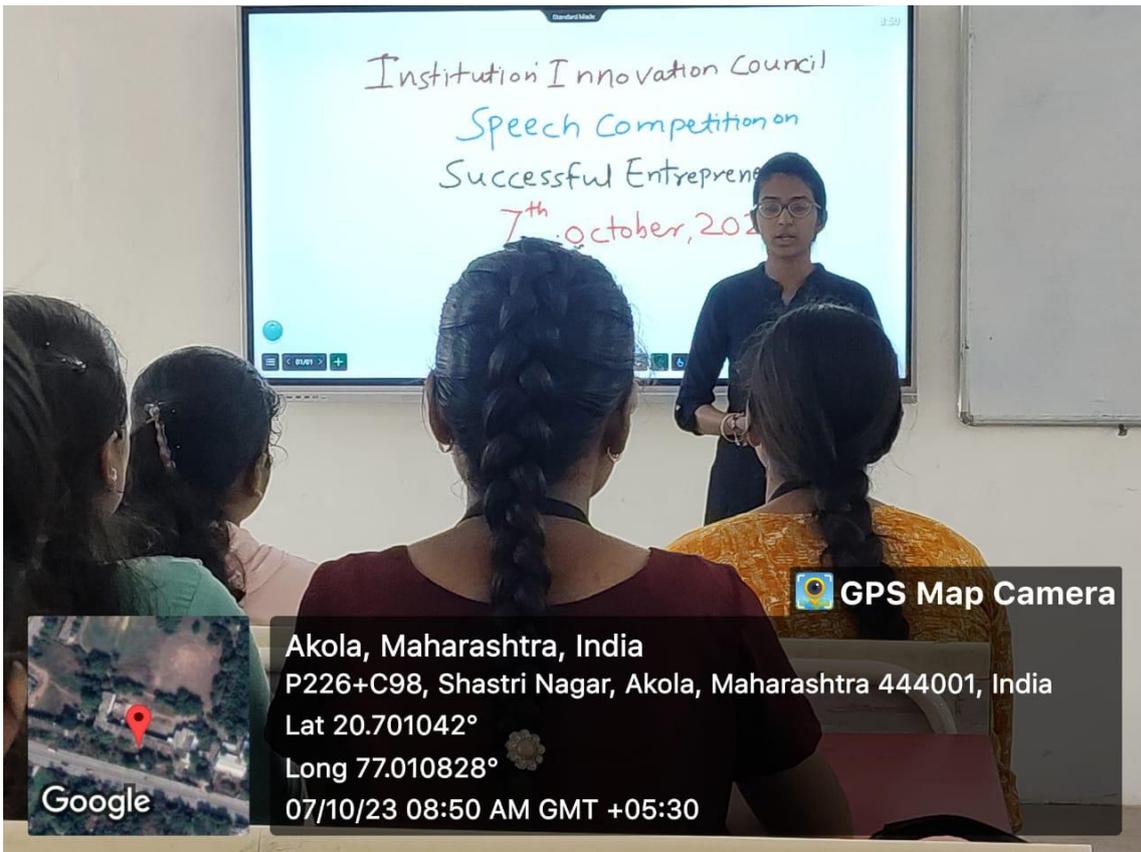

A total of 5 talented young girls took part in the competition, showcasing their eloquence and insights on entrepreneurship. The top positions were secured by Achal Chauhan, Nikita Ingle and Sonam Dubey who stood first, second, and third respectively. Their compelling speeches not only expressed their unique ideas and opinions on entrepreneurship but also spotlighted success stories of notable entrepreneurs. Certificates were issued to winners.

The event garnered substantial attention, with an impressive turnout of 19 students and 3 esteemed faculty members. Dr. Rupa Gupta, the adept IIC Convener, exhibited exceptional organizational skills, ensuring the seamless flow and high engagement levels throughout the competition. The proficiency displayed in the management of the session was commendable, contributing to the overall success of the event. This Speech Competition not only provided a platform for young minds to express their entrepreneurial perspectives but also encouraged a culture of innovation and business acumen among the participants.

Workshop on Unlocking Your Entrepreneurial Potential:**

**A Session on SGIARC's Support and Opportunities**

On October 09, 2023, the Institution's Innovation Council and Department of Commerce & Management jointly organized an engaging workshop titled "Unlocking Your Entrepreneurial Potential: A Session on SHRI GAJANAN INNOVATION AND ADVANCE RESEARCH CENTRE's (SGIARC)-TBI FOUNDATION - Shegaon Support and Opportunities," with the invaluable guidance of Honorable Principal, Dr. Charushila Rumale.

The session featured Honorable Prof. Piyush Dalke, an esteemed Assistant Professor from the Mechanical Engineering Department at Shri Sant Gajanan Maharaj Engineering College, Shegaon, as the distinguished Resource Person. Prof. Dalke delivered an insightful presentation, eloquently detailing the practical steps to harness innovative and creative ideas. He highlighted the process of obtaining patents, the avenues for commercialization, and the essential elements of initiating one's own entrepreneurial venture.

With eloquence and expertise, Prof. Dalke emphasized the transformative potential inherent in nurturing and materializing creative concepts, ultimately paving the way towards becoming a successful entrepreneur.

An impressive turnout of 71 students and 3 faculty members enriched the session with their active participation. Dr. Rupa Gupta, the capable IIC Convener, adeptly conducted the session and introduced the guest speaker. The event concluded on a gracious note with Professor Harshada Wadhane extending a warm vote of thanks.

## Report

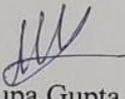

**Bharatiya Seva Sadan's  
Radhadevi Goenka College for Women, Akola  
Institution's Innovation Council**

**Report on  
Intra Institutional Idea Competition and Reward Best Ideas**

On October 11, 2023, the Institution's Innovation Council orchestrated an Intra Institutional Idea Competition and acknowledged the Best Ideas, all under the esteemed guidance of Honorable Dr. Charushila Rumale. Serving as the discerning jury members, Prof. Harshada Wadhone and Dr. Rupa Gupta meticulously evaluated the presentations of the participants.

A cohort of 10 exceptionally talented young women participated in this competition, showcasing their eloquence and offering profound insights on the subject. Ku. Nivita Mourya, Vaishnavi Pawar, and Vaishnavi Kalbande secured the top three positions, demonstrating their exceptional prowess in idea formulation. Certificates of recognition were duly conferred upon all the winners.

The event attracted a substantial audience, with an impressive turnout of 37 students and two esteemed faculty members. Dr. Rupa Gupta, the adept IIC Convener, demonstrated remarkable organizational acumen, ensuring a seamless flow and maintaining high levels of engagement throughout the competition. Her proficiency in orchestrating the session was commendable and significantly contributed to the overall success of the event. This Idea Competition not only provided a platform for innovative expression but also fostered a culture of creativity and entrepreneurial thinking among the participants.

## Report

Bharatiya Seva Sadan's  
Smt. Radhadevi Goenka College for Women, Akola  
Institution's Innovation Council  
Report on  
Student Innovation Challenge competition guidance program

At Smt. Radhadevi Goenka Women's College, a lecture on the Student Innovation Challenge was organized in collaboration with the Institutions Innovation Council, Maharashtra State Innovation Society, Akola Skill Development, and Employment and Entrepreneurship Guidance Department. This event was held under the guidance of President, Dilipraj Goenka, and Principal, Dr. Charushila Rumale.

Dr. Charushila Rumale, the Principal, extended her warm wishes and addressed the audience. Keynote speakers Rigved Aina pure (Mahatma Gandhi National Fellow) and Sunita Gole (District Skill Development Coordinator, Akola) were present to share their insights. They emphasized that while the government may not be able to provide jobs for every youth, it has opened up avenues for students to become job providers through skill development, aligning with the central government's vision.

A significant turnout of senior college students from various branches participated in the program, actively engaging in a question and answer format to address their queries. The event was skillfully conducted by Ku. Nivita Maurya, while Dr. Rupa Gupta, the Coordinator of Institutions Innovation Council, dedicated substantial efforts to ensure the event's success. A total of 219 students and 10 faculty members were in attendance.

## देशोन्नती

# आरडीजी महाविद्यालयात स्टुडंट इनोव्हेशन चॅलेंज स्पर्धा

देशोन्नती वृत्तसंकलन...

अकोला ■ स्थानिक आरडीजी महिला महाविद्यालयाच्या इन्स्टिट्यूशनस् इनोव्हेशन कौन्सिल व महाराष्ट्र स्टेट इनोव्हेशन सोसायटी, जिल्हा कौशल्य विकास आणि रोजगार व उद्योजकता मार्गदर्शन विभाग, अकोला यांच्या संयुक्त विद्यमाने महाविद्यालयाच्या विद्यार्थिनींसाठी स्टुडंट इनोव्हेशन चॅलेंज स्पर्धा विषयावर व्याख्यान आयोजित करण्यात आले होते.

भारतीय सेवा सदनचे अध्यक्ष दिलीपराज गोयनका, सचिव आलोक कुमार गोयनका, उपाध्यक्ष रविकुमार गोयनका, प्राचार्य डॉ. चारुशीला रुमाले यांच्या मार्गदर्शनात स्टूडन्ट इनोव्हेशन स्पर्धेचे आयोजन करण्यात आले. प्राचार्य चारुशीला रुमाले यांनी संदेश दिला. यावेळी प्रमुख वक्ता म्हणून महात्मा गांधी नॅशनल फेलो ऋग्वेद आयनापुर, जिल्हा कौशल्य

विकास समन्वयक सुनीता गोळे उपस्थित होते.

प्रत्येक तरुणाला शासकीय नोकरी सरकार देऊ शकत नाही, परंतु त्यापेक्षा अधिक मोबदला मिळणारी नवनवीन क्षेत्र विद्यार्थ्यांसाठी शासनाने कौशल्य विकासाच्या माध्यमातून खुली केली आहे. ज्याद्वारे रोजगार मागणीदार नाही तर रोजगार पुरवठादार बनवण्याचे केंद्र सरकारचे स्वप्न साकार होऊ शकते अशा आशयाचे प्रतिपादन उपरोक्त दोघांनी आपल्या मनोगतामध्ये केले. महाविद्यालयाचे उपप्राचार्य डॉक्टर अंबादास पांडे यांचे यावेळी विशेष

उपस्थिती होती.

यावेळी डॉ. स्वप्नील इंगोले, प्रा. पवन महाजन, प्रा. ललित भट्टी व डॉ. आशिष मुठे डॉ. विनोद चव्हाण, डॉ. सुमेध सगने उपस्थित होते.

वरिष्ठ महाविद्यालयातील सर्व विद्या शाखांच्या विद्यार्थिनींनी या कार्यक्रमांमध्ये मोठ्या संख्येने उपस्थिती दर्शवून आपल्या समस्यांचे निराकरण प्रश्न उत्तराच्या स्वरूपात करून घेतले. इन्स्टिट्यूशनस् इनोव्हेशन कौन्सिलच्या समन्वयक डॉ. रूपा गुप्ता यांनी कार्यक्रमाच्या यशस्वीतेसाठी परिश्रम घेतले.

## Report

**Bharatiya Seva Sadan's  
Radhadevi Goenka College for Women, Akola  
Institution's Innovation Council, Avishkar Cell and Research Committee  
Report on  
Intra Institutional Innovation Competition**

On December 14, 2023, the Institution's Innovation Council, Avishkar Cell, and Research Committee collaboratively hosted an Intra Institutional Innovation Competition, guided by Principal Dr. Charushila Rumale. The primary goal behind this initiative was to inspire and encourage student innovation by providing a platform for them to present their creative ideas. Five students showcased their innovative concepts through presentations, aiming to steer these ideas toward practical directions. Following their presentations, certificates of recognition were awarded to the top three participants based on the merit of their ideas.

Principal Dr. Charushila Rumale and Dr. Sanjay Vite, IQAC Coordinator served as the esteemed jury members, evaluating and acknowledging the innovative ideas presented by the students. The event was skillfully conducted by Dr. Nitin Chaudhary, ensuring its smooth execution.

Dr. Rupa Gupta, the IIC Convener, expressed gratitude by extending a warm vote of thanks, appreciating the valuable contributions made by the students and acknowledging their insightful ideas.

The event garnered an enthusiastic audience, with active participation from 53 students and 13 teaching staff members, fostering an atmosphere of creativity and innovation.

This competition aimed to nurture a culture of innovation within the institution, encouraging students to think creatively and providing them with a platform to present their ideas. It sought to recognize and honour the innovative spirit among students while fostering an environment that encourages exploration, experimentation, and the implementation of novel ideas.

**Bharatiya Seva Sadan's  
Radhadevi Goenka College for Women, Akola  
Institution's Innovation Council**

**Report on  
Seminar on Principles of Start-Up**

**In honor of National Start-up Day, observed annually on January 16th, the Institution's Innovation Council organized a Seminar on Principles of Start-Up on February 7th, 2024.** The seminar, featuring Dr. Rupa Gupta from the Department of Commerce and Management of our college, aimed to elucidate the concept of start-ups, the significance of celebrating their principles, and shared examples of successful start-ups from both Indian and global perspectives.

Dr. Gupta highlighted the essence of start-ups as innovative ventures that drive economic growth, foster technological advancement, and address societal challenges. She underscored the importance of commemorating National Start-up Day as a means to recognize and promote entrepreneurship, creativity, and resilience among aspiring entrepreneurs.

Throughout the seminar, Dr. Gupta showcased various successful start-up stories, illustrating how these ventures have disrupted industries, created employment opportunities, and generated significant value for stakeholders. Examples ranged from homegrown start-ups like Flipkart and Ola in India to global giants like Airbnb and Uber, demonstrating the universality of entrepreneurial success.

The seminar attracted participation from 22 students and 5 faculty members, providing them with valuable insights into the dynamics of the start-up ecosystem and inspiring them to explore entrepreneurial endeavors. Dr. Ambadas Pande, a member of the Institution's Innovation Council, skillfully conducted the event, fostering an environment conducive to intellectual discourse and personal growth among participants. Through such initiatives, the Institution's Innovation Council continues to play a pivotal role in nurturing the spirit of entrepreneurship and innovation within the academic community.

# Report

**Bharatiya Seva Sadan's  
Radhadevi Goenka College for Women, Akola  
Institution's Innovation Council**

**Report on Industrial Visit Cum Workshop**

**(Field/Exposure Visit to Pre-incubation units such as Ideas Lab, Fab lab,  
Makers Space, Design Centers, City MSME clusters, workshops etc)**

The Institution's Innovation Council and Department of Home-Economics organized an Industrial Visit Cum Workshop at Kaushalya Samruddhi Kendra, Akola on February 10th, 2024. The event saw participation from 16 students and 3 faculty members. Mrs. Angha Dixit, the proprietor of Kaushalya Samruddhi Kendra, led the session by demonstrating the process of block printing on cloth. Participants actively engaged in learning the art of block printing and acquired entrepreneurial skills, fostering motivation among the students. Dr. Ujawala Bajpai, Dr. Vidhya Dhruve, and Dr. Rupa Gupta, the IIC Convener, played pivotal roles in ensuring the success of this visit.

Block printing on cloth is a traditional textile printing method that involves transferring designs onto fabric using wooden or metal blocks. **All the students and faculties followed following steps:**

- ✦ **Design Preparation:** The design is first created or selected for printing. It could be a traditional motif or a contemporary pattern.
- ✦ **Block Carving:** Skilled artisans carve the design onto wooden or metal blocks. Each block is meticulously crafted to ensure precision in printing.
- ✦ **Fabric Preparation:** The fabric to be printed is washed and prepared to ensure it is clean and free from any impurities that may affect the printing process.
- ✦ **Block Printing:** The fabric is spread flat on a printing table or surface. The carved block is dipped into the chosen colour or dye and pressed firmly onto the fabric. This process is repeated multiple times to create the desired pattern or design.
- ✦ **Drying and Fixing:** Once the printing is complete, the fabric is left to dry naturally or may undergo additional processes such as steaming or washing to fix the colours and ensure they remain vibrant and long-lasting.
- ✦ **Finishing Touches:** After drying, the printed fabric may undergo finishing touches such as ironing or trimming to achieve the final desired appearance.

In nutshell, block printing on cloth is a beautiful and intricate art form that requires skill, patience, and attention to detail, and it offers endless possibilities for creativity and expression in textile design.

## Report on

**National Level Webinar on Process of Innovation Development, Technology Readiness  
Level (TRL); Commercialization of Lab Technologies & Tech-Transfer**

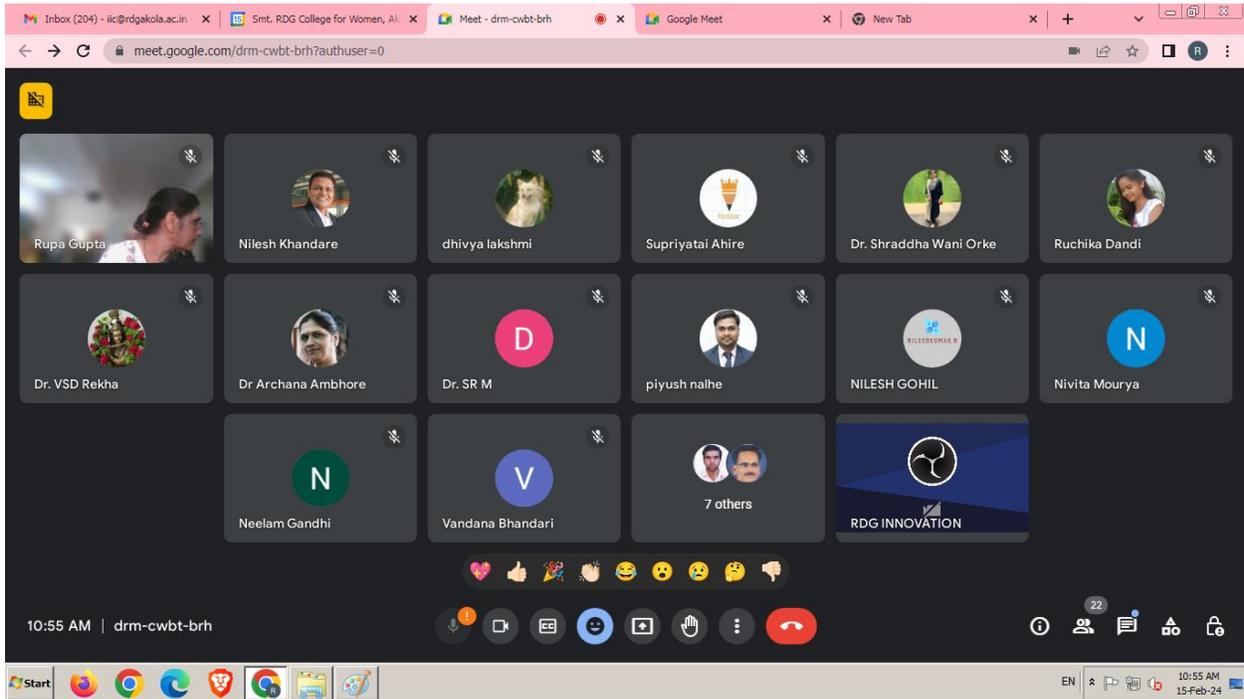

The Institution's Innovation Council and Department of Music jointly organized a **National Level Webinar on the "Process of Innovation Development, Technology Readiness Level (TRL); Commercialization of Lab Technologies & Tech-Transfer" on February 15th, 2024**, under the guidance of Hon. Principal Dr. Charushila Rumale. Dr. Vivek Chapke introduced the esteemed Resource Person, Dr. Nilesh Khandare, Associate Professor in the Mechanical Engineering Department and Chief Coordinator of the Industry Institute Interaction Cell at Shri Sant Gajanan Maharaj College of Engineering, Shegaon. Dr. Khandare elucidated the crucial process of commercializing lab technologies and facilitating tech-transfer. By drawing upon relatable examples from our daily experiences, He aimed to demystify these concepts and engage the audience in a practical understanding of innovation processes. Through interactive discussions, He emphasized the importance of bridging the gap between laboratory research and real-world applications, fostering a culture of innovation and entrepreneurship.

E-certificates were distributed to all participants as a token of participation. The event garnered significant participation with 47 students and 57 faculty members in attendance. Dr. Archana Ambhore spearheaded the organization of the event, while Prof. Anil Nimbalkar delivered the vote of thanks. Dr. Rupa Gupta, the convener of the Institution's Innovation Council, played a pivotal role in organizing and facilitating the success of this enlightening event.

**Report on  
Innovation & Entrepreneurship Outreach Program in Community**

On February 22<sup>nd</sup>, 2024, the collaborative efforts of the Institution's Innovation Council (IIC) and the Department of Home Economics culminated in a **practical session on Innovation & Entrepreneurship Outreach Program in Community**. Hosted at the Department of Floriculture and Landscape Architecture, Dr. Panjabrao Deshmukh Krishi Vidhyapeeth, Akola, the event aimed to instill entrepreneurial spirit and foster innovative thinking among faculty members and students. Under the able guidance of Dr. Manisha Deshmukh, who served as the esteemed resource person, participants were enlightened on the nuances of entrepreneurship and innovation within the realm of community engagement.

The session centered on providing practical insights into the integration of innovation and entrepreneurship within community initiatives. Dr. Manisha Deshmukh, leveraging her expertise in the field, meticulously guided attendees through the process of identifying opportunities, developing innovative solutions, and effectively implementing entrepreneurial ventures within the community.

The Department of Floriculture and Landscape Architecture served as an apt setting for the practical demonstrations conducted during the session. Faculty members showcased various facets of entrepreneurship, ranging from the cultivation of diverse flora such as roses and Goldmary to the production of value-added products like rose drinks. Additionally, participants were acquainted with innovative ventures involving vegetable cultivation, including carrots and beetroot, and the preparation of shrabat from these resources.

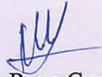

A noteworthy aspect of the session was the involvement of self-help group women, who exemplified entrepreneurial success through their showcased businesses. Their first-hand demonstrations not only provided valuable insights into practical business operations but also served as a source of inspiration for aspiring entrepreneurs among the student community. Through their stories and achievements, the self-help group women motivated students to leverage their creativity and entrepreneurial drive to embark on similar endeavours.

The session witnessed active participation from 40 students and 3 faculty members, who seized the opportunity to glean valuable insights and practical knowledge from the event. By

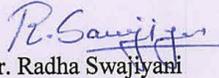

immersing themselves in the experiential learning environment facilitated by Dr. Manisha Deshmukh and the departmental faculty, participants gained a deeper understanding of the symbiotic relationship between innovation, entrepreneurship, and community engagement.

The successful execution of the Innovation & Entrepreneurship Outreach Program in Community was made possible through the concerted efforts of Dr. Radha Sawjiyani, faculty of Home Economics, and Dr. Rupa Gupta, the Convener of the IIC. Their unwavering dedication and meticulous planning ensured a seamless and enriching experience for all involved.

The practical session served as a testament to the transformative power of innovation and entrepreneurship in community development. Through collaborative initiatives and experiential learning opportunities, participants were empowered to harness their creativity and entrepreneurial spirit to effect positive change within their communities, thereby embodying the ethos of innovation-driven entrepreneurship advocated by Dr. Manisha Deshmukh and the organizing committee.

## Report on Workshop on Entrepreneurship Skill, Attitude and Behaviour Development

On February 23rd, 2024, the Institution's Innovation Council orchestrated a dynamic Workshop on entrepreneurship skill, attitude, and behavior development, steered under the esteemed guidance of Honorable Principal Dr. Charushila Rumale. Serving as a key resource person, Professor Lalit Bhatti, the IQAC Coordinator and ARIIA coordinator, delivered an insightful discourse.

Professor Lalit Bhatti commenced his session by delving into the foundational aspects of entrepreneurship, elucidating its pivotal role in fostering innovation and economic growth. He expounded on the core skills requisite for entrepreneurial success, emphasizing areas such as critical thinking, problem-solving, and effective communication. Through engaging anecdotes and real-world examples, Professor Bhatti underscored the significance of cultivating an entrepreneurial mindset characterized by resilience, adaptability, and a propensity for calculated risk-taking.

Furthermore, Professor Bhatti elucidated practical strategies for harnessing creativity and seizing entrepreneurial opportunities. He elucidated on the importance of market research, feasibility analysis, and strategic planning in the entrepreneurial journey. Additionally, he provided insights into navigating challenges and setbacks inherent in entrepreneurship, advocating for a proactive and solution-oriented approach.

The workshop garnered significant interest, attracting participation from 29 students and 17 faculty members. Dr. Shalini Bang adeptly conducted the proceedings, ensuring an enriching and interactive experience for all attendees. As the session concluded, Dr. Rupa Gupta, the IIC Convener, extended a heartfelt vote of thanks, expressing gratitude to all participants and contributors for their valuable insights and active engagement in advancing the culture of entrepreneurship within the institution.

## Report on Workshop on Design Thinking, Critical thinking and Innovation Design

On February 27th, 2024, the Institution's Innovation Council (IIC) orchestrated a successful Workshop on Design Thinking, Critical Thinking, and Innovation Design. The primary objective was to instill a culture of innovation and enhance critical thinking skills among both students and faculty members. Guided by our esteemed Principal, Dr. Charushila Rumale, the workshop aimed to spark creativity and promote innovative problem-solving.

Dr. Rupa Gupta, MoE Ambassador and Convener of IIC, led the session on Design Thinking, Critical Thinking, and Innovation Design. Her expertise and passion for innovation set the stage for an engaging and enlightening discussion. Dr. Gupta emphasized the significance of Design Thinking as a user-centric problem-solving methodology. She stressed the iterative nature of this approach, urging participants to empathize with users, define problems, generate ideas, prototype solutions, and test them in real-world scenarios. Furthermore, Dr. Gupta elaborated on the principles of Innovation Design, emphasizing the fusion of creativity, technology, and human-centered design to create innovative solutions addressing societal needs.

The workshop garnered enthusiastic participation from 44 students and 3 esteemed faculty members. Through interactive discussions, group activities, and practical exercises, participants gained valuable insights into Design Thinking, Critical Thinking, and Innovation Design.

Prof. Harshada Wadhone, representing the organizing team, expressed heartfelt gratitude to all participants and contributors for their active engagement, thus contributing to the event's success. The workshop concluded with a renewed commitment to fostering a culture of innovation and critical thinking within the institution, ensuring a continuous journey towards excellence.

## Report on Workshop on Intellectual Property Right

On March 14th, 2024, the IQAC, Institution's Innovation Council (IIC), and Library jointly organized a workshop on Intellectual Property Rights (IPR) to commemorate World Intellectual Property Right Day. Under the guidance of our esteemed Principal, Dr. Charushila Rumale, the workshop aimed to ignite creativity and foster innovative problem-solving skills among participants.

Dr. Ashok Sonone, Librarian at Smt. S.A. Arts, Science, and Commerce College, Akola, served as the resource person for the workshop. His talk focused on elucidating various aspects of intellectual property rights, including copyright, patents, and designs, supplemented by illustrative examples. Dr. Ashok Sonone commenced his speech by emphasizing the importance of intellectual property rights in today's knowledge-based economy. He provided a comprehensive overview of different types of intellectual property, beginning with copyright. Dr. Sonone explained the concept of copyright protection, its scope, and the rights it confers upon creators of original works. He illustrated this with examples from literature, music, and other creative domains, demonstrating how copyright safeguards the rights of authors, composers, and artists.

Moving on to patents, Dr. Sonone delved into the intricacies of patent protection. He elucidated the criteria for patentability, including novelty, inventive step, and industrial applicability. Throughout his speech, Dr. Sonone emphasized the practical relevance of intellectual property rights in various fields, from literature and art to technology and industry.

The workshop witnessed active participation from 49 students and 18 esteemed faculty members. Participants engaged in lively discussions and interactive sessions, where they exchanged ideas and sought clarification on various aspects of intellectual property rights. Prof. Lalit Bhatti conducted the session while Prof. Ram Baheti proposed vote of the thanks.

**Seminar on Women Entrepreneurship**

On March 21st, 2024, commemorating World Women's Day, the Institution's Innovation Council (IIC) orchestrated a highly successful Seminar on Women Entrepreneurship, under the esteemed guidance of our Principal, Dr. Charushila Rumale. The seminar was designed to spark creativity and cultivate innovative problem-solving skills among all participants.

Miss Hansa Tiwari, Assistant Professor from Smt. Radhadevi Goenka College for Women, Akola, delivered an impassioned and motivational speech on Women Entrepreneurship during the event. She underscored the transformative potential entrepreneurship holds for women, highlighting the myriad of opportunities available in the entrepreneurial landscape. Through poignant anecdotes and compelling examples, Miss Tiwari showcased the triumphs of women who have boldly navigated the business world, inspiring the audience to embrace their own entrepreneurial journeys.

The seminar witnessed enthusiastic participation from 57 students and 6 esteemed faculty members. Dr. Rupa Gupta, IIC Convener, conducted the session, ensuring a dynamic and engaging experience for all attendees. Prof. Trupti Yeotkar extended heartfelt gratitude on behalf of the organizing team, concluding the event with a renewed commitment to nurturing a culture of entrepreneurship and innovation within the institution.

**Webinar on Prototype/Process Design and Development**

On March 30, 2024, the Institution's Innovation Council and Department of English jointly organized a webinar titled "Prototype/Process Design and Development," under the guidance of Principal Dr. Charushila Rumale. Serving as the resource person for this enlightening session was Dr. Sandip Chandra, the Head of Department and Associate Professor, also the IIC Convener at Rai School of Management Studies, Rai University in Ahmedabad.

During the webinar, Dr. Chandra shared insightful perspectives on the dynamics between a businessman and an entrepreneur, elucidating that while a businessman typically operates within the existing market framework, an entrepreneur acts as a market leader, pioneering innovation and driving change. Additionally, Dr. Chandra provided a comprehensive overview of the steps involved in prototype designing, offering practical guidance to the 73 participating students, 64 faculty members, and research scholars.

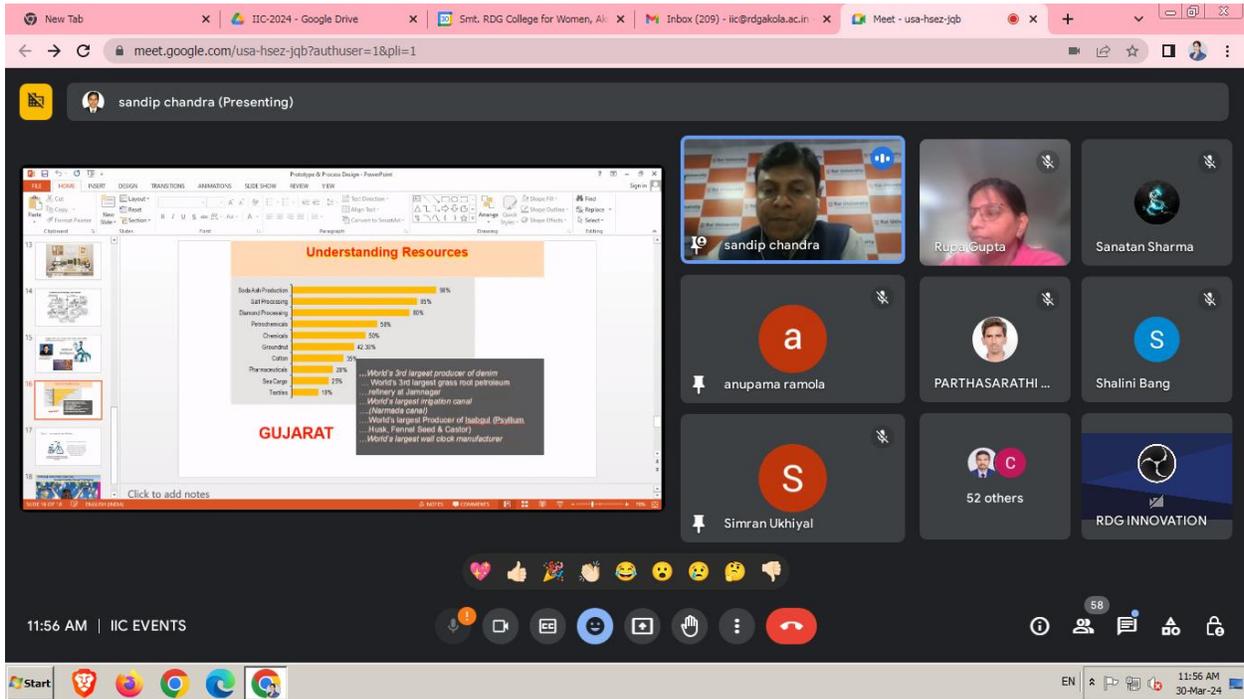

Dr. Sandip Chandra's words highlight the distinction between a businessman and an entrepreneur. A businessman typically operates within existing market structures, whereas an entrepreneur takes on a leadership role by introducing innovative solutions and driving market change. Dr. Chandra's explanation serves to inspire participants to adopt an entrepreneurial mindset and approach in their endeavors.

The event was expertly facilitated by Dr. Shalini Bang, the Head of the English Department, ensuring a smooth and engaging experience for all attendees. Dr. Rupa Gupta, the IIC Convener, concluded the webinar with a vote of thanks, expressing gratitude to both the participants and Dr. Chandra for their valuable contributions towards fostering knowledge exchange and innovation within the institution.

Institution's Innovation Council**

## **Report on Impact Lecture**

On April 2nd, 2024, the Institution's Innovation Council of Smt. Radhadevi Goenka College for Women, Akola (Maharashtra), successfully hosted the Impact Lecture Sessions, sponsored by MoE's Innovation Cell (MIC), AICTE, New Delhi. The primary objective of this session was to enhance understanding and engagement with crucial topics related to R & D and Innovation. Under the esteemed guidance of Honorable President Mr. Diliprajji Goenka, and with introductory remarks from Honorable Principal Dr. Charushila Rumale, the session featured two enlightening lectures aimed at fostering knowledge and awareness.

### **Objectives of Impact Lecture:**

- To educate participants on the identification of intellectual property in the early stages of innovation.
- To foster understanding and engagement with startup and women entrepreneurship in the context of R & D and innovation.

### **Lecture I: How to Identify Intellectual Property at the Early Stage of Innovation?**

**Resource Person:** Prof. Piyush Dalke - Coordinator IP Cell – SGIARC TBI Foundation, Shegaon

**Theme:** R & D and Innovation

During the first session, Prof. Piyush Dalke illuminated the audience with invaluable insights into the identification of intellectual property during the nascent stages of innovation. With a wealth of expertise as the Coordinator of the IP Cell at SGIARC TBI Foundation, Shegaon, he delved deep into the intricacies of this critical aspect of innovation. Prof. Dalke not only elucidated the importance but also elucidated on various strategies and considerations crucial for recognizing and safeguarding intellectual assets. Throughout his presentation, Prof. Dalke skillfully employed various live examples to elucidate different types of intellectual property such as copyright, trade secrets, patents, and designs. Through these examples, he provided tangible illustrations of how

innovative ideas can be protected and commercialized effectively. For instance, he might have illustrated how a unique software algorithm can be protected under copyright law, while a novel manufacturing process can be safeguarded as a trade secret. By highlighting these key strategies and considerations, Prof. Dalke significantly enhanced the participants' understanding of intellectual property, equipping them with practical knowledge essential for navigating the innovation landscape. Through the utilization of real-world examples, he brought abstract concepts to life, empowering participants to recognize, protect, and leverage their intellectual assets effectively in their innovative endeavors.

## **Lecture II: Startup and Women Entrepreneurship**

**Resource Person:** CA Pranay Bafna - Speaker-IIT Madras & ICAI, Founder-Zro Tax (IT Return Bharo) Startup

**Theme:** R & D and Innovation

During the session, CA Pranay Bafna provided a comprehensive exploration of startup and women entrepreneurship, offering insights into the opportunities and challenges inherent in these domains. Drawing upon his rich experiences as a speaker at IIT Madras and as the founder of Zro Tax (IT Return Bharo) Startup, he served as a beacon of inspiration for participants, encouraging them to embark on entrepreneurial journeys. Utilizing a plethora of examples from the startup world, CA Pranay Bafna elucidated various pathways through which individuals can generate innovative ideas and transform them into successful ventures. He exemplified how startups founded by women entrepreneurs have made significant strides in diverse sectors, ranging from technology to healthcare to fashion. For instance, he might have highlighted the success story of Nykaa, founded by Falguni Nayar, which has revolutionized the beauty and cosmetics industry in India.

Moreover, CA Pranay Bafna underscored the importance of leveraging professional networking platforms such as LinkedIn to establish a strong online presence and network with industry professionals. He motivated students to harness the power of LinkedIn as a tool for personal branding and professional growth, emphasizing its significance in today's competitive business landscape. By providing practical guidance and showcasing real-world examples, CA Pranay Bafna empowered participants to explore entrepreneurial ventures with confidence and resilience. His insights not only shed light on the immense opportunities available in the startup

ecosystem but also highlighted the invaluable contributions of women entrepreneurs in driving innovation and economic growth. Through his engaging presentation, CA Pranay Bafna ignited a spark of entrepreneurship within the audience, inspiring them to pursue their entrepreneurial dreams and create meaningful impact in society.

**Outcome:** The session successfully engaged 18 Faculty Members and 180 Students, equipping them with valuable insights and practical knowledge in the domains of intellectual property identification and entrepreneurship.

Dr. Nibha Upadhyay, HOD of Hindi, conducted the sessions, ensuring their smooth progression, while Dr. Rupa Gupta, as the Impact Lecture Coordinator and Convener of IIC, orchestrated the event's organization. At the conclusion of the session, certificates were distributed to all participants, acknowledging their participation and engagement. The Impact Lecture Session was a resounding success, enriching participants with valuable insights and empowering them to embark on their journey towards innovation and entrepreneurship.

## **Report on National Level Webinar on Intellectual Property Rights and IP Management**

On April 15, 2024, the Institution's Innovation Council, in collaboration with the Internal Quality Assurance Cell (IQAC) and the Department of Library, orchestrated a **National Level Webinar on Intellectual Property Rights (IPR) and IP Management**. Under the guidance of Principal Dr. Charushila Rumale, the webinar aimed to shed light on the significance of IPR in the context of innovation and entrepreneurship.

Dr. M.M. Betkar, the esteemed Principal of Shri. Kumarswami Mahavidhyalaya, Ausa, served as the resource person for the webinar. Dr. Betkar delved into various aspects of IPR, providing valuable insights and practical knowledge to the participants.

Dr. Betkar elucidated the concept of start-ups and emphasized their role in fostering innovation and economic growth. He elaborated on how start-ups often rely on intellectual property to differentiate themselves in the market and secure a competitive edge. He provided a comprehensive overview of intellectual property, delineating its various forms such as patents, trademarks, copyrights, and trade secrets. He stressed the importance of understanding the nuances of each type of IP for effective protection and utilization. He elucidated strategies for effectively managing IP portfolios, including aspects such as licensing, enforcement, and commercialization.

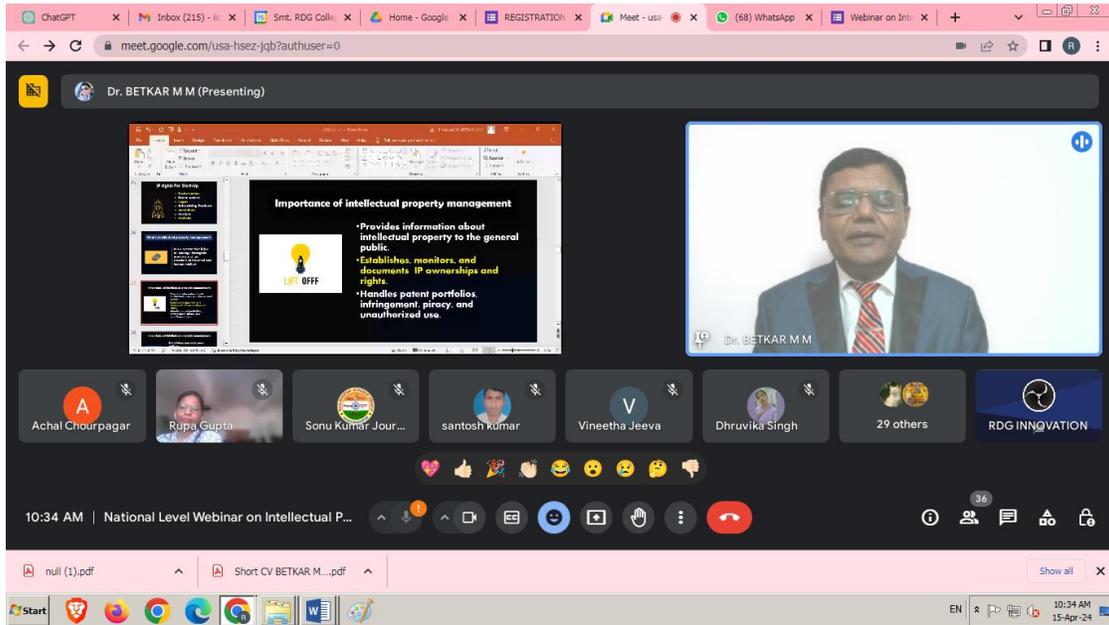

Dr. Betkar highlighted the importance of taking precautions in IP management to safeguard against infringement and unauthorized use. He discussed best practices for maintaining the integrity and exclusivity of intellectual property rights.

Dr. Rupa Gupta, the Convener of the Institution's Innovation Council, steered the proceedings of the webinar, ensuring smooth coordination and active engagement from the participants. A total of 27 students and 56 faculty members enthusiastically participated in the event, demonstrating their keen interest in the subject matter.

**Smt. Radhadevi Goenka College for Women, Akola**  
**Institution's Innovation Council & Dept. of Hindi**  
**Report on**  
**Webinar on Innovation/Prototype Validation**  
**Converting Innovation into Start-Up**

On April 22, 2024, the Institution's Innovation Council and Department of Hindi collaborated to host a webinar focused on the validation of innovation and the process of transforming innovative ideas into startup ventures. This event was held under the esteemed guidance of our Honorable Principal, Dr. Charushila Rumale. Opening the session, Vice-Principal Dr. Ambadas Pande delivered introductory remarks, setting the tone for the insightful discussions ahead.

Our esteemed resource person for the day was Dr. Manjit Kour, a distinguished Professor from the University School of Business at Chandigarh University, Punjab. Dr. Kour illuminated various facets of innovation, creativity, and the intricacies of the Business Canvas Model. With her expertise, she delved into the significance of SWOT analysis in shaping innovative ventures.

The webinar attracted a substantial audience, with 55 academicians and 48 students actively participating in the enriching discussions. Dr. Rupa Gupta, the Convener of the Institution's Innovation Council, played a pivotal role in orchestrating the event, demonstrating her dedication to fostering a culture of innovation within our institution. Dr. Nibha Upadhayay proposed vote of thanks.

**Institution's Innovation Council**

**Report on**  
**Webinar on Lean Start-Up & Minimum Viable Product/Mentoring Session**

The Institution's Innovation Council successfully hosted a **webinar on Lean Start-Up & Minimum Viable Product/Mentoring Session on May 8, 2024**. This event aimed to provide valuable insights into lean start-up methodologies and the concept of minimum viable products (MVPs) to aspiring entrepreneurs and innovators within the institution. Under the esteemed guidance of our Honorable Principal, Dr. Charushila Rumale, the webinar unfolded as an enriching platform for knowledge exchange and mentorship.

The event featured Dr. Sachin Gupta, Assistant Professor of Business Administration at Mohanlal Sukhadia University, Udaipur-Rajasthan, as the esteemed resource person. Dr. Gupta brought a wealth of expertise and experience in the field, providing invaluable insights into lean start-up principles and the significance of MVPs in product development. Throughout the session, Dr. Gupta elucidated the core principles of lean start-up methodology, emphasizing the importance of agility, iteration, and customer feedback in the entrepreneurial journey. He delved into various aspects of lean start-up, including rapid prototyping, validated learning, and the build-measure-learn feedback loop. Moreover, Dr. Gupta provided comprehensive insights into the concept of MVPs, highlighting its role as a strategic tool for testing hypotheses, validating assumptions, and mitigating risks in product development.

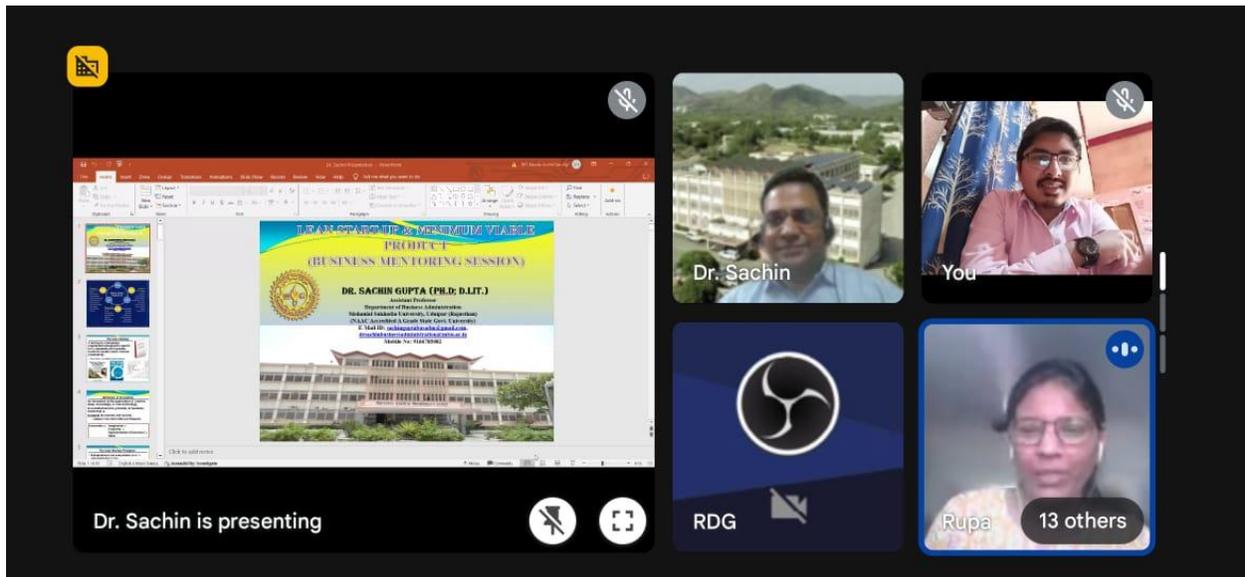

The webinar garnered significant interest from the student community, **with 33 and 41 students actively participating in the enriching discussions**. Their enthusiasm and engagement added vibrancy to the session, fostering an interactive learning environment where ideas flowed freely and perspectives were exchanged.

Dr. Rupa Gupta, the Convener of the Institution's Innovation Council, played a pivotal role in orchestrating the event to ensure its smooth execution. Her meticulous planning, coordination, and attention to detail were instrumental in delivering a seamless experience for both speakers and participants.
