**Report on  
Speech Competition on the occasion of National Entrepreneurship Day**

On October 7, 2023, the Institution's Innovation Council organized a Speech Competition in commemoration of National Entrepreneurship Day, operating under the esteemed guidance of Honorable Dr. Charushila Rumale. Prof. Harshada Wadhone and Prof. Priyanka Rathi took on the roles of distinguished jury members, responsible for evaluating the participants' presentations.

A total of 5 talented young girls took part in the competition, showcasing their eloquence and insights on entrepreneurship. The top positions were secured by Achal Chauhan, Nikita Ingle and Sonam Dubey who stood first, second, and third respectively. Their compelling speeches not only expressed their unique ideas and opinions on entrepreneurship but also spotlighted success stories of notable entrepreneurs. Certificates were issued to winners.

The event garnered substantial attention, with an impressive turnout of 19 students and 3 esteemed faculty members. Dr. Rupa Gupta, the adept IIC Convener, exhibited exceptional organizational skills, ensuring the seamless flow and high engagement levels throughout the competition. The proficiency displayed in the management of the session was commendable, contributing to the overall success of the event. This Speech Competition not only provided a platform for young minds to express their entrepreneurial perspectives but also encouraged a culture of innovation and business acumen among the participants.

# REPORT

**Bharatiya Seva Sadan's  
Radhadevi Goenka College for Women, Akola  
Institution's Innovation Council**

**Report on  
Workshop on Entrepreneurship Skill, Attitude and Behaviour Development**

On February 23rd, 2024, the Institution's Innovation Council orchestrated a dynamic Workshop on entrepreneurship skill, attitude, and behavior development, steered under the esteemed guidance of Honorable Principal Dr. Charushila Rumale. Serving as a key resource person, Professor Lalit Bhatti, the IQAC Coordinator and ARIIA coordinator, delivered an insightful discourse.

Professor Lalit Bhatti commenced his session by delving into the foundational aspects of entrepreneurship, elucidating its pivotal role in fostering innovation and economic growth. He expounded on the core skills requisite for entrepreneurial success, emphasizing areas such as critical thinking, problem-solving, and effective communication. Through engaging anecdotes and real-world examples, Professor Bhatti underscored the significance of cultivating an entrepreneurial mindset characterized by resilience, adaptability, and a propensity for calculated risk-taking.

Furthermore, Professor Bhatti elucidated practical strategies for harnessing creativity and seizing entrepreneurial opportunities. He elucidated on the importance of market research, feasibility analysis, and strategic planning in the entrepreneurial journey. Additionally, he provided insights into navigating challenges and setbacks inherent in entrepreneurship, advocating for a proactive and solution-oriented approach.

The workshop garnered significant interest, attracting participation from 29 students and 17 faculty members. Dr. Shalini Bang adeptly conducted the proceedings, ensuring an enriching and interactive experience for all attendees. As the session concluded, Dr. Rupa Gupta, the IIC Convener, extended a heartfelt vote of thanks, expressing gratitude to all participants and contributors for their valuable insights and active engagement in advancing the culture of entrepreneurship within the institution.

# REPORT

**Bharatiya Seva Sadan's  
Radhadevi Goenka College for Women, Akola  
Institution's Innovation Council**

**Report on  
National Level Online Quiz on National Science Day**

On February 28th, 2024, the Institution's Innovation Council took the initiative to organize a National Level Online Quiz as a tribute to National Science Day. This day, celebrated annually on February 28th in India, marks the discovery of the Raman effect by Sir C.V. Raman, a pioneering Indian physicist, in 1928. The quiz aimed to honour this significant milestone in Indian science and promote scientific awareness and interest among students, scholars, and faculty members.

The event garnered substantial interest and participation, with a total of 93 students, research scholars, and 25 faculty members from various educational institutions across India joining in. This widespread participation showcased the enthusiasm and commitment of the academic community towards celebrating and engaging with science.

To ensure the credibility and recognition of participants' efforts, the quiz had a qualifying criterion of scoring at least 50%. This threshold was set to ensure that participants demonstrated a satisfactory understanding of the quiz topics and concepts. Upon meeting this requirement, participants were eligible to receive an e-certificate, acknowledging their participation and achievement in the quiz. This digital certificate not only serves as a token of recognition but also adds value to participants' academic profiles.

Behind the scenes, the success of the quiz was made possible through the dedicated efforts of Dr. Rupa Gupta, the IIC Convener, and Prof. Pawan Mahajan.

## REPORT

Bharatiya Seva Sadan's  
**Radhadevi Goenka College for Women, Akola**  
**Institution's Innovation Council**

**Report on**  
**National Level Online Quiz on World Creativity and Innovation Day**

On April 21st, 2024, the Institution's Innovation Council spearheaded a significant endeavor by orchestrating a National Level Online Quiz in celebration of World Creativity and Innovation Day. This innovative quiz was designed to fulfill the following objectives:

- Stimulate creativity and innovation among students, research scholars, and faculty members.
- Provide a platform for participants to showcase their knowledge and understanding of pertinent subjects.

The response to this initiative was overwhelming, with a total of 120 enthusiastic participants hailing from diverse educational backgrounds across the nation. This inclusive approach ensured a vibrant exchange of ideas and perspectives.

To maintain the integrity and prestige of the quiz, a qualifying threshold of 50% was established. This criterion aimed to ensure that participants demonstrated a commendable grasp of the quiz topics and concepts. Upon meeting this requirement, participants were awarded well-deserved e-certificates, symbolizing their active involvement and achievement in the event. These digital accolades not only serve as a testament to their dedication but also enhance their academic profiles.

The seamless execution of the quiz owes much to the tireless dedication of Dr. Rupa Gupta, the IIC Convener, and Prof. Pawan Mahajan.
