Report on
Student Innovation Challenge competition guidance program

At Smt. Radhadevi Goenka Women's College, a lecture on the Student Innovation Challenge was organized in collaboration with the Institutions Innovation Council, Maharashtra State Innovation Society, Akola Skill Development, and Employment and Entrepreneurship Guidance Department. This event was held under the guidance of President, Dilipraj Goenka, and Principal, Dr. Charushila Rumale.

Dr. Charushila Rumale, the Principal, extended her warm wishes and addressed the audience. Keynote speakers Rigved Ainapure (Mahatma Gandhi National Fellow) and Sunita Gole (District Skill Development Coordinator, Akola) were present to share their insights. They emphasized that while the government may not be able to provide jobs for every youth, it has opened up avenues for students to become job providers through skill development, aligning with the central government's vision.

A significant turnout of senior college students from various branches participated in the program, actively engaging in a question and answer format to address their queries. The event was skillfully conducted by Ku. Nivita Maurya, while Dr. Rupa Gupta, the Coordinator of Institutions Innovation Council, dedicated substantial efforts to ensure the event's success. A total of 219 students and 10 faculty members were in attendance.

Report on
National Level Online Quiz on World Creativity and Innovation Day

On April 21st, 2024, the Institution's Innovation Council spearheaded a significant endeavor by orchestrating a National Level Online Quiz in celebration of World Creativity and Innovation Day. This innovative quiz was designed to fulfill the following objectives:

- Stimulate creativity and innovation among students, research scholars, and faculty members.
- Provide a platform for participants to showcase their knowledge and understanding of pertinent subjects.

The response to this initiative was overwhelming, with a total of 120 enthusiastic participants hailing from diverse educational backgrounds across the nation. This inclusive approach ensured a vibrant exchange of ideas and perspectives.

To maintain the integrity and prestige of the quiz, a qualifying threshold of 50% was established. This criterion aimed to ensure that participants demonstrated a commendable grasp of the quiz topics and concepts. Upon meeting this requirement, participants were awarded well-deserved e-certificates, symbolizing their active involvement and achievement in the event. These digital accolades not only serve as a testament to their dedication but also enhance their academic profiles.

The seamless execution of the quiz owes much to the tireless dedication of Dr. Rupa Gupta, the IIC Convener, and Prof. Pawan Mahajan.

REPORT

Smt. Radhadevi Goenka College for Women, Akola Psychological Counseling Report A.Y.2023-24

The College has established a Counseling Centre to address a range of student issues including academic, personal, familial, societal, and workplace challenges. The objective of the center is to provide tailored solutions to students' problems. During this academic session, a one-hour slot every Friday from 12:00 p.m. to 1:00 p.m. in the Management Chamber was reserved for counseling, with awareness created through displayed flexes on campus. Students approached the center by filling out registration forms, initiating the counseling process.

During counseling sessions, various issues such as career dilemmas, nervousness, anxiety, aggressiveness, exam phobia, self-image, identity, and impulsiveness were observed among counselees. After identifying these problems, counselors analyzed the issues and called the counselees for further discussion. It was noted that students often hesitated to share their problems openly; therefore, counselors employed various techniques to encourage disclosure. **Ten (10) students** were counseled at the center during this academic year.

Each counselee received at least two sessions, during which they were given tasks such as breathing exercises, improving communication skills, and engaging in light physical activities based on the analysis sheet. Positive changes in students' attitudes and mindsets were observed following counseling sessions. The counselor maintains ongoing contact with the students who received counseling.
