Department of Commerce & Management
Report on Bridge Course
(Fundamentals of Accountancy)
Academic Session: 2023-24

The Department of Commerce & Management undertook an initiative to conduct a 6-week Bridge Course based on the University Curriculum, recognizing the needs of freshmen and students who did not originally come from a commerce background. The syllabus was meticulously designed and implemented to provide essential knowledge to students, aiding them in comfortably transitioning into their core commerce subjects.

The Bridge Course aimed to create awareness among students about effective learning techniques and to reinforce their foundational understanding of basic subjects. It facilitated a smoother transition for students into their core commerce subjects. The department also offers a **Fundamentals of Accountancy** course, with **25 students** enrolled in each course.

The duration of the Bridge Course spanned from **1st August to 16th September 2023**. Through this course, students were equipped with the fundamentals necessary for their core commerce subjects. Assessment of students' progress was conducted through Test Exams and Quiz competitions, ensuring active participation and eliciting positive responses from all participants.

Upon the completion of the course, a final test was administered, and certificates were awarded to all successful students, acknowledging their dedication and successful completion of the program.
