Report on Workshop on Intellectual Property Right

On March 14th, 2024, the IQAC, Institution's Innovation Council (IIC), and Library jointly organized a workshop on Intellectual Property Rights (IPR) to commemorate World Intellectual Property Right Day. Under the guidance of our esteemed Principal, Dr. Charushila Rumale, the workshop aimed to ignite creativity and foster innovative problem-solving skills among participants.

Dr. Ashok Sonone, Librarian at Smt. S.A. Arts, Science, and Commerce College, Akola, served as the resource person for the workshop. His talk focused on elucidating various aspects of intellectual property rights, including copyright, patents, and designs, supplemented by illustrative examples. Dr. Ashok Sonone commenced his speech by emphasizing the importance of intellectual property rights in today's knowledge-based economy. He provided a comprehensive overview of different types of intellectual property, beginning with copyright. Dr. Sonone explained the concept of copyright protection, its scope, and the rights it confers upon creators of original works. He illustrated this with examples from literature, music, and other creative domains, demonstrating how copyright safeguards the rights of authors, composers, and artists.

Moving on to patents, Dr. Sonone delved into the intricacies of patent protection. He elucidated the criteria for patentability, including novelty, inventive step, and industrial applicability. Throughout his speech, Dr. Sonone emphasized the practical relevance of intellectual property rights in various fields, from literature and art to technology and industry.

The workshop witnessed active participation from 49 students and 18 esteemed faculty members. Participants engaged in lively discussions and interactive sessions, where they exchanged ideas and sought clarification on various aspects of intellectual property rights. Prof. Lalit Bhatti conducted the session while Prof. Ram Baheti proposed vote of the thanks.
