ABOUT COLLEGE

*Smt. Radhadevi Goenka College For Women Akola.(Maharashtra) is affiliated to SGB Amravati University Amravati . It was established in 1965 by Bhartiya Seva Sadan .This Education Society is one of the oldest and pioneering educational societies of the Vidarbha Region of Maharashtra. It was established with an objective to extend educational opportunities to empower the women of the region, which come from various small villages of Akola. It is a dream of Late. Smt. Radhadevi Goenka who is founder and mother of this institution who took the **vision** – “ Empowerment of Women through Economic Independence for betterment of society.”. Similarly **Mission** – ‘ To Impart holistic education in order to transform the girls into Earning and Efficient, Individually, Family members and citizens. The college is centrally located in the heart of Akola. It has a sprawling campus of 23 acres. It offers five UG Programs in BA, B.Com, B.SC(Home–Science)B.B.A AND B.C.A and Eleven Postgraduate Programs. Enrolled students at present are more than 3000.*

ABOUT DEPARTMENT

We are Proud to look at 55 Years of effectuating the strategies of adapting our classical music from the traditional Gurukul system to that of the University System.

The Dept. has constantly been in the process of enhancing the skills of our students, which leads to an increase in their productivity & output. Keeping these in mind, the Dept. has always strived to innovate & introduce new courses from time to time.

The Department conducts BA, MA ,Ph D Program as per the University norms. Also Music Therapy Center and Academy of Performing Arts are run by the college. The dept. has seen many fruitful and prosperous years with rapid developments. No wonder, quite a few of our alumni are performing artists with Radio and TV grading. The dept. celebrates the annual festival of vasantotsav (saraswati pooja) with zeal and vigour. Studying in the dept. of music is a truly different experience for the students.

About Conference

Music never stands still. It can't whether it's through changes in culture or technology , new instruments or techniques. The march of time has always and will always change it.

But there is more to music than just the stylistic differences that occur. So it's time to look ahead , what the future is going to bring.

Shorter is better-The most popular song have gradually become shorter and shorter. It seems that music provide a framework to promote cultural changes that improve people's lives.
