The aim of the scheme to improve the quality of school and higher education by addressing comprehensively all issues related to teachers, teaching, teacher preparation, professional development, curriculum design, designing and developing assessment & evaluation methodology, research in pedagogy and developing effective pedagogy. Many centres such as TLC, FDC, School of Education, etc. have been opened throughout the country.

ABOUT NATIONAL LEVEL ONLINE REFRESHER COURSE

The present National Level Online (Multidisciplinary) Refresher Course will look at the syllabus, study materials and teaching methods in Social Sciences, Humanities, Science, Commerce, Management & Law. Updating recent developments in knowledge and skills as well as emerging tools and techniques for better teaching & learning of these subjects will be the focus of the course. This fifteen day refresher course is aimed at providing Academicians and Research Scholars who would like to update their knowledge for best teaching methodology and practices, materials, content analysis, presentation style to enhance the teaching skills and to promote discussion, to share the ideas and experience with fellow Professors.

Participants are encouraged to share their experiences and views. The expected learning outcome includes not just updating knowledge, but also how to translate it into teaching/learning modules in the respective subjects. Through exchange of experience, the course expects to adopt best practices and innovative methods in teaching and research.

The methodology of the Online Refresher Course shall be based on an online session comprising of minimum one session a day of three hours. The compulsory lecture shall be followed by an assignment and cumulative assessment of the assignment, Classroom lectures, project, quizzes, presentation by participants.

OUTCOMES

After this National Level Online Refresher Course, the participating Social Sciences, Humanities, Science, Commerce, Management & Law faculties and research scholars will be aware of various useful teaching skills and teaching tools. Their theoretical and practical approach will be broadened. They will be well versed with emerging contemporary challenges in respective subjects and their future prospects. The interaction between various Social Sciences, Humanities, Science, Commerce, Management & Law teachers across the nation would also be among many outcomes that we aspire to achieve during this National Level Online (Multidisciplinary) Refresher Course.
