## Criterion VII: Institutional Values and Best Practices

### Recognition and award for Water conservation

## Criterion VII: Institutional Values and Best Practices

### Recognition and award for Water conservation

Ref. no. 2047

Date : 19-09-2020

#### LETTER OF APPRECIATION

This is to appreciate and recognise Smt. Radhadevi Goenka College for women Akola for the active participation of the girls students and the Teachers in the various campaigns of Water Conservation by Paani Foundation India. The NSS unit of the college has built an earthen Dam at the adopted village for consecutive three years from 2017-18 Till 2019-20 and have helped in Water Conservation for the village. The earthen dam constructed has helped to store 1,28,000 litres of water each year thus 3,84,000 litres of water in consecutive 3 years which contributed to raise the water level of the area and was utilized by the farmers. The soak pit has also helped to conserve 1,50,000 litres in 3 years contributing to raising the water level in the area. These activities by the college for the Water Conservation are being highly appreciated by us and we recognize this college to be striving hard for the Water Conservation and shouldering their responsibility as able citizens and institute of the region.

  
**Mr. Sanghal Wahurwagh**  
**PAANI Foundation Maharashtra,**  
**Block Coordinator, Barshitakli, Dist. Akola**
