Green campus initiatives include:

7.1.5.1. The institutional initiatives for greening the campus are as follows:

Policy document of Green Campus

Any other relevant documents-

College has planted the Green campus area to make it more environments friendly. College conducts many tree plantation programs to encourage students and staffs for not only plantation the trees but also nourish them to maintain environmental balance.

Concept of plastic free and paper free campus can be successfully implemented in the college. Management need to take initiative to make the policy for same. It will help to do reduce the use of plastic and papers which will be a good contribution towards sustainable environment.

No vehicle Day has to aim to reduce pollution and save the fuel of the nation. Make campus pollution free and use the eco-friendly bicycle. Every 1st day of the each month is selected for the event. All the staff and students follow the rules of no vehicle day.s

Eco friendly Ganesha workshop has to goal to teach the students pollution free and eco-friendly making of idols of Ganesha. Celebration of festival with the friendly with environment was the aim of this workshop. Paperless activities were carried out to save the papers and use of technology in day to day basis. All the reports and notices were sending by e mail or whatsapp. Technology with eco-friendly was completed by these activities.
